March Training Summary 2026, two pages

---o0o---

Monday, April 13, 2026 --

(Parties present in person and via Zoom at or about 4:30 p.m.)

COMMISSIONER GOMEZ: I'd like to welcome everyone to the Fire Civil Service Commission; I'd like to call to order -- call the meeting to order. Roll call?

SECRETARY RODRIGUEZ: Commissioner Gomez?

COMMISSIONER GOMEZ: Present.

SECRETARY RODRIGUEZ: Commissioner Kubas?

COMMISSIONER KUBAS: Here.

SECRETARY RODRIGUEZ: Commissioner Nunez?

COMMISSIONER NUNEZ: Here.

COMMISSIONER GOMEZ: All commissioners are here; we have a quorum. Next on our agenda, we have approval of the minutes; we have the minutes from March 9th, 2026; I'd like to make a motion to approve as written.

COMMISSIONER NUNEZ: Second.

COMMISSIONER GOMEZ: All in favor, say aye.

(Ayes in unison.)

COMMISSIONER GOMEZ: Motion passes. We have no correspondence; we'll go straight to communications. We have communications from -- Do you have anything for us tonight from the chief,

from the chief's -- fire department's attorney, from our chief examiner, and from any commissioner? So, we'll start off with the chief.

FIRE CHIEF ESCOBEDO: No.

COMMISSIONER GOMEZ: And his attorney? Do you have any communications?

ATTORNEY TOLBERT: Not really. Other than that memo. I hope you guys got the memo that I sent.

COMMISSIONER GOMEZ: So, basically, we're kind of okay with that?

ATTORNEY TOLBERT: I think so. I know there was some -- a little bit of difference between the applications. I found Gary's application, and that's what's taking us a while -- time. And I talked to the chief, and we kind of tried to narrow it too, but there were some things that could come out to streamline it.

COMMISSIONER GOMEZ: So, nothing major? We'll just work -- because I know that attorney's -- and he made that comment that -- he sent a message to the council that he would fine $10,000 for every incident of, you know, -- that go against those new initiatives that Trump's administration's trying to put in.

ATTORNEY TOLBERT: Right. Yeah, you're talking about the diversity --

COMMISSIONER GOMEZ: Yeah.

ATTORNEY TOLBERT: -- piece? Right. Yeah, and I think I commented -- not to put any -- on that, but kind of covered that as well. And I don't think Gary has that in it, so if you wanted to streamline in that regard, you probably could.

COMMISSIONER GOMEZ: Okay. Well, we already printed out the applications; right? So, Chief talked to me about it when you sent him your opinion.

ATTORNEY TOLBERT: Thank you.

COMMISSIONER GOMEZ: As far as the department and training, we're still waiting on the city attorney; right?

CHEIF EXAMINER GILARSKI-TAYLOR: Correct.

COMMISSIONER GOMEZ: -- any decisions. Chief, do you have any comments?

CHIEF ESCOBEDO: So, I do have one update just regarding training. I know we -- our training officer just walked in. We started utilizing the IFSTA books, and we also ran a cert class using the IFSTA books; he can elaborate more on that if he chooses. But other than that, we

also have an EMT -- just an update on our EMT status with our individuals. You wanna touch on that?

CAPTAIN BUCKLEY: Good afternoon, commissioners. Dan Buckley, training captain. I'm gonna provide you guys with our monthly training update from March, and I'll talk about some of the topics Chief Escobedo did. For the safe communication, I think it's probably a good habit to get into, keeping you guys as aware as we can of stuff we've got going on back at the department.

So, for the month of March, 2026, East Chicago Fire Department personnel coordinated and documented approximately 582 total training hours across multiple disciplines with a strong emphasis on fire officer development and certification via Indiana Fire and Public Safety Academy accredited strategy and tactic course. After all testing is complete, this should result in approximately 100 percent of our personnel roster state certified in Fire Officer Strategy and Tactics.

Now, as chief touched on with the IFSTA books, this does use one of the books possibly

that we can use moving forward with promotionals, so it almost forces people to get into it and maybe get a little bit of a head start on some of that stuff. And that's a model that I think we'd like moving forward because it kind of provides a mutual benefit.

In addition to last month -- last month's strategy and tactics course, we also kicked off our 2026 Vehicle Rescue Operations and Technician course with the help of several partners, including S and S Towing, University of Chicago Aeromedical Network, and the Indiana Harbor Belt Railroad. The objectives of this course are to certify up to 100 percent of our members in vehicle rescue to the operation and technician level in accordance with Indiana Fire and Public Safety Academy and NFPA standards. Delivery and completion of these courses are in line with the administration and training divisions objectives of reaching and maintaining and surpassing current state and national standards.

I have packets I'll give you guys that summarizes the topics and how many hours we put into each thing; I don't need to go through that, but I'll leave that with you. And then again, in

my report, it does have EMT status updates for even everyone that applies to.

Aside from that, Chief, if there's anything else you wanted me to touch on? That's all I got. Again, I'll get you guys the packets for the record.

COMMISSIONER GOMEZ: Dina, we can put those into the record; right?

SECRETARY RODRIGUEZ: Yes, I'll send them over to the court reporter, and she'll put them in the record.

COMMISSIONER GOMEZ: Okay. Next, Chief Examiner?

CHEIF EXAMINER GILARSKI-TAYLOR: I actually don't have any updates, unless you have questions.

COMMISSIONER GOMEZ: How many applications are we up to now?

SECRETARY RODRIGUEZ: 111. Seven returned so far.

COMMISSIONER GOMEZ: Took out 111 and only returned seven?

SECRETARY RODRIGUEZ: So far.

COMMISSIONER GOMEZ: Hope that's not an indication. Okay. So, do we have any other comments from -- so, nothing else then? Okay.

Anything from the commissioners?

COMMISSIONER NUNEZ: I don't have anything.

COMMISSIONER GOMEZ: No? Anything? No? You're good? Okay. Anybody wanna bring up anything under old business? New business? Chief?

CHIEF ESCOBEDO: Yeah, one thing. I reviewed the minutes from the last meeting; I did see May 16th was not referenced for the test date. I guess May 18th was referenced, so the correct test date is May 16th.

COMMISSIONER GOMEZ: And it is on the application; right?

FIRE CHIEF ESCOBEDO: Yes.

CHEIF EXAMINER GILARSKI-TAYLOR: It's the 16th; I must have misspoke.

CHIEF ESCOBEDO: Yeah, that's okay.

COMMISSIONER GOMEZ: And on the notices, it does have the correct date?

FIRE CHIEF ESCOBEDO: Correct.

COMMISSIONER GOMEZ: Okay. As long as it is on there for the public. So, any other public comments? Any other new business/old business? No?

Okay. I wanna congratulate Jesse Becerra.

He's been on the department for a long time; I've known him a long time. Great firefighter. He's gonna be retiring soon. I know if he had his way, he would stay on.

Okay. That concludes everything on our agenda for tonight. I'd like to make a motion for adjournment.

COMMISSIONER NUNEZ: Second.

COMMISSIONER GOMEZ: All in favor, say aye.

(Ayes in unison.)

COMMISSIONER GOMEZ: Okay. Motion passes. Have a good evening, everyone.

(Meeting adjourned at or about 4:37 p.m. CST.)
