Report from Utility Division, Dr.

1 Zehraoui.

2 DR. ZEHRAOUI: Mr. President and members,  
3 the only point that we have is the Alder Street cleaning  
4 is going this week, so this is -- we are starting the  
5 project.

6 Also, we are working with NIPSCO.  
7 It's very hard to work with these guys. So you have on  
8 agenda today the application fee to be approved by the  
9 Board. This is what they have for today. Thank you.

10 MR. RIVERA: Any questions for Dr.  
11 Zehraoui? (None)

12 Thank you. Field operations: No Report.

13 MR. HERRERA: John Martinez has retired  
14 as of last Monday, so that will be changed for next  
15 meeting. I just got the word on that yesterday, so I'll  
16 go ahead and remove his name from the agenda.

17 MR. RIVERA: Next item is report from  
18 Solid Waste, Keith Selvie.

19 MR. SELVIE: Mr. President, Solid Waste  
20 has no report at this time.

21 MR. RIVERA: Thank you, sir. Next we  
22 have Mr. Biller, Financial. You have no report,  
23 correct?

24 MR. BILLER: Correct.

25 MR. RIVERA: Thank you. Next we have  
report from legal counsel, Attorney Joe Allegretti.

MR. ALLEGRETTI: I really have nothing to  
report. Dr. Zehraoui and I are negotiating some items  
with the regulatory agency of the Department of  
Environmental Management. We are in good shape. We are  
making some amendments to the outsource assignments from  
outside engineers for some future Public Works projects  
and to modify the long term CSO. In the minds of our  
regulators it's a very important document. We are  
working through that and we are doing what we have to  
do. Everything is okay right now. So thank you, that's  
all I have to say

MR. RIVERA: Any questions for Attorney  
Joe Allegretti? (None)

1 Our next item is New Business.  
2 Resolution SD 20-12.

3 MR. BILLER: Mr. President, this  
4 Resolution 12 is requesting Board approval for the  
5 Utility Administration fund for the year 2021, in the  
6 amount of \$1,181,920.00. The key highlights are, this  
7 is for the billing people in the Water office that  
8 handle the billing and the collection for both  
9 departments. The change from this year's budget is an  
10 increase of two part-timers from the current staffing,  
11 and then actually a decrease in what we had in the  
12 current budget. The maintenance people we had in  
13 Utilities, we have moved those back to either the Water  
14 Department or to the Wastewater Department during the  
15 year.

16 So, we are asking your approval for  
17 the budget of \$1,181,920.00 for calendar year 2021.

18 MR. RIVERA: Thank you. Any questions in  
19 regards to Resolution SD 20-12? If there aren't any, I  
20 would entertain a motion.

21 MS. CAULEY: Make a motion to adopt  
22 Resolution SD 20-12.

23 MR. GONZALEZ: Second.  
24 Questions/Comments: None

25 MR. RIVERA: All in favor say aye.  
(All signify aye.)

MR. RIVERA: Motion carries.

Next is Resolution SD 20-13.

MR. ALLEGRETTI: Well, this subject  
matter was discussed at the last meeting or the meeting  
before last by Winna Guzman, that this is the same item  
-- mirror image -- of this resolution already adopted by  
the Water Board because either in some cases these are  
identical or joint write offs. We discussed this last  
time. This is an accounting activity sanctioned by the  
State Board of Accounts.

What this does, is that these items  
no longer will be carried on the books as accounts  
receivable for the reason they are no longer collectible  
as indicated because of bankruptcy, bad debt, vacancy,  
tax sales, Sheriff deeds. If a property becomes tax  
delinquent and deed is conveyed from the County sale, we

1 no longer have the right to collect it from a new  
2 purchaser who comes into the property. The new  
3 purchaser is no longer responsible for the old debt from  
4 the previous owner.

5 So, this is just kind of a  
6 housekeeping measure, cleaning up our books. I think we  
7 discussed this last time. Anybody have any questions?

8 MR. RIVERA: I understand this is done  
9 every year. Thank you. Are there any questions in  
10 reference to Resolution SD 20-13? (None) Is there a  
11 motion to accept?

12 MR. FLOWERS: Make a motion to accept  
13 Resolution SD 20-13.

14 MR. GONZALEZ: Second.  
15 Questions/Comments: None

16 MR. RIVERA: All in favor say aye.  
17 (All signify aye.)

18 MR. RIVERA: Motion carries.  
19 Next is Resolution SD 20-14.

20 MR. BILLER: This resolution is asking  
21 for Board's approval for the Wastewater debt service for  
22 calendar year 2021, in the amount of \$1,039,730.00.  
23 This is the payments on our outstanding bond issues that  
24 we have; one from 2015, one from 2019, and on the long  
25 term control plan, and then also for the bond which we  
took out last year. This covers both principal and  
interest and any miscellaneous cost associates with  
those outstanding bonds. We ask for Board's approval.  
Thank you.

MS. CAULEY: Make a motion to accept  
Resolution SD 20-14.

MR. GONZALEZ: Second.  
Questions/Comments: None

MR. RIVERA: All in favor say aye.  
(All signify aye.)

MR. RIVERA: Motion carries.  
Next we have Agreements, three of  
them. First one is Ace Exterminating for the pump  
stations, Alder, Michigan, Roxana, and Magoun.

1 DR. ZEHRAOUI: This is monthly pest  
control that Ace is doing for the four pumping stations.  
2 The second one is for our main office here and also the  
remaining pumping station. So this is done every month.  
3 We are asking the Board for approval.

4 MS. CAULEY: Make a motion to approve.

5 MR. MORICZ: Second.

6 Questions/Comments: None

7 MR. RIVERA: All in favor say aye.  
(All signify aye.)

8 MR. RIVERA: Motion carries.

(All signify aye.)

15 MR. RIVERA: Motion carries.

16 Next we have NIPSCO, extension of  
facility, 145th and Cline, amount of \$41,257.00.

17 DR. ZEHRAOUI: This is -- we are working  
on the extension of the project. So at the 145th  
18 pumping station, we have to change the transformers. So  
this amount is just like construction deposit for that.  
19 So we have to change the transformer that is there.  
It's like 1100, very small, need to replace with another  
20 one that's 2500. I'm asking the Board to approve this  
deposit so we can start project.

21 MR. RIVERA: Thank you.

22 MS. CAULEY: Make a motion to approve.

23 MR. GONZALEZ: Second.

24 Questions/Comments: None
